Other change This collection is currently active through 08/31/2010.**
Based on the change in the Higher Education Opportunity Act of 2008 (**Pub.L.110-315**), we are required to include three additional activities to the currently active International Research and Studies application. These activities are:
Section 605(a)(20 U.S.C. 1125(a))
(10) Evaluation of the extent to which programs assisted under this title reflect diverse perspectives and a wide range of views and generate debate on world regions and international affairs, as described in the grantee's application;
(11) The systematic collection, analysis, and dissemination of data that contribute to achieving the purpose of this part; and
(12) Support for programs or activities to make data collected, analyzed, or disseminated under this section publicly available and easy to understand.
These activities are optional for applicants and therefore the burden is not increased.
