

PAPERWORK REDUCTION ACT EMERGENCY EXTENSION

Agency/Subagency U.S. DEPARTMENT OF EDUCATION/STUDENT FINANCIAL ASSISTANCE/ ANALYSIS SERVICE	OMB control number 1845 - 0006
--	--

	Current Record	New Record**
Expiration date 08/31/2002	08 / 2002 month year	12 / 2002 month year

Reason for emergency extension request		
We have submitted to the Federal Register for public comment revised versions of the FFEL Stafford Master		
.. .		
Promissory Note (MPN). The 30-day public comment period closes on August 12, 2002. However, the currently		
approved Stafford MPN will expire before we can review the comments, make any revisions to the forms, and		
submit the revised versions of the forms to OMB for final approval.		
Extending the expiration date on the current FFEL Stafford MPNs will allow us the benefit of a transition period		
for the public to the new Stafford MPNs as well as assuring that there is no lapse in time between approval of the new		
forms and the expiration of the old forms.		
Signature of Senior Official or designee: 	Date: Aug 7, 2002	For OIRA Use <hr/> <hr/> <hr/>

**Three month maximum allowed from current expiration date.

Just a reminder to add these details please to OMB's "Term of Clearance".
