Dear CHRISTOPHER E. STUDENT,

Thank you for submitting your information for federal student aid to the U.S. Department of Education.

This is your Student Aid Report (SAR) for the **2004-2005** award year. Keep a copy of this SAR for your records.

You (the Student)

Here is where you are this year in the process of applying for student financial aid:

1. You applied for financial aid by completing a Free Application for Federal Student Aid (FAFSA).
2. **Now you should check your SAR information. If it is correct, you do not need to return it to us.**
3. * Your school has the authority to request copies of certain financial documents to verify information you reported on your application.

U.S. Department of Education

Here is where we are in collecting, processing, and storing your information for the 2004-2005 award year:

1. We received your information and processed it. Our results are below.
2. We sent your information and our results to you and the school(s) you listed in Step 6.
3. We will update your federal student aid record with any changes you make.

Based on the information you have submitted, we have used the standard formula to calculate your EFC, which is 00000. Your school will use this number to determine what types of aid and how much you are eligible for based on your educational cost.

School(s)

Here are the steps your school(s) will take to put together your 2004-2005 financial aid package:

1. Your school(s) received your information and our results.
2. Your school(s) has the authority to ask you to verify your information.
3. Your school(s) may put together or change an aid package and notify you.

The amount of aid you receive from your school(s) will depend on the cost of attendance at your school(s), your enrollment status (full-time, three-quarter-time, half-time, or less than half-time), Congressional budget restrictions, and other factors. Review your financial aid notification from your school(s) or contact your financial aid administrator.

Please read the important information on page 2, and then go to page 3 to see what you need to do next.

2004-2005 Student Aid Report (SAR)

COMMENTS ABOUT YOUR INFORMATION

Based on the information we have on record for you, YOUR EFC IS 00000. Your school will use this number to determine your financial aid eligibility for federal grants, loans, and work study, and possibly available funding from your state and school. You may be eligible to receive a Federal Pell Grant and other federal student aid.

ISSUES AFFECTING YOUR ELIGIBILITY

If you want to register with Selective Service, you may answer "yes" to both questions 21 and 22 on this SAR, complete a Selective Service registration form at your local post office, or register online at www.sss.gov. Selective Service will not process your registration until 30 days before your 18th birthday.

The Social Security Administration (SSA) did not confirm that you are a U.S. citizen. You need to provide your school with the documentation of your citizenship status before you can receive federal student aid.

WHAT YOU MUST DO NOW

Your school has the authority to ask you to provide copies of certain financial documents for you and your parent(s).

We assumed certain information to calculate your eligibility for federal student aid. We printed the assumption we made and the word "assumed" in the "You Told Us" column for each of these items. If our assumptions are correct, do not change them.

Be sure to review the items printed in darker print on this SAR and make corrections if necessary.

NOTE: You reported a value(s) that exceeds the amount of space allowed on the SAR. We printed all of the lines in darker print for those fields.

OTHER INFORMATION YOU NEED TO KNOW

If your parents have now filed their 2003 tax return, correct this SAR to reflect the information as reported on their tax return. If your parents still haven't filed, notify your Financial Aid Administrator once they file.

ATTENTION: You did not list any schools or the schools listed are not in our eligible school file. To receive federal student aid, you must attend a school that participates in the federal student aid program.

If you need additional help with your SAR, contact your school Financial Aid Administrator (FAA) or the Federal Student Aid Information Center at 1-800-4-FED-AID (1-800-433-3243). If your address changes, send the correction on your SAR or call 1-800-4-FED-AID to make the correction on your record.
