

## Your **Renewal/FAFSA**

2004-2005 School Year  
**FREE APPLICATION FOR FEDERAL STUDENT AID**

*We Help Put America Through School*

OMB No. 1845-0001 Do not send in this application before January 1, 2004.

### Applying by the Deadlines

Use this Renewal FAFSA to apply for federal and state grants, work-study, and loans.

For federal aid, submit your application as early as possible, but no earlier than January 1, 2004. We must receive your application no later than June 30, 2005. Your college must have your correct, complete information by your last day of enrollment in the 2004-2005 school year.

For state or college aid, the deadline may be as early as January 2004. See the table on page 2 for state deadlines. You may also need to complete additional forms. Check with your high school guidance counselor or a financial aid administrator at your college about state and college sources of student aid and deadlines.

### Using Your Tax Return

If you are filing a 2003 income tax return, we recommend that you complete it before filling out this form. If you have not filed your return, you can still submit your Renewal FAFSA. Once you file your tax return, you must correct any income or tax data that may have changed.

### Filling Out Your Renewal FAFSA

Because the Renewal FAFSA contains preprinted information that you reported to us for the 2003-2004 school year, it is faster and easier for you to use than the Free Application for Federal Student Aid (FAFSA).

Review your answers from last year. Enter new or updated information if your previous answer has changed or was incorrect. If your answer from last year that is printed on the application is still correct, you do not need to write anything for that question. Refer to the notes in this booklet as necessary.

Some questions, such as information about your year 2003 income, may not have your last year's information printed in them. For these questions, which have arrows by them, you must give us new information.

If you or your family has unusual circumstances not shown on this form (such as loss of employment) that might affect your need for financial aid, submit this form and then consult with the financial aid office at the college you plan to attend.

### Mailing Your Renewal FAFSA

After you complete this application, make a copy of it for your records. Then mail the original form and return postcard in the enclosed envelope or to the address printed on the application.

You should receive a Student Aid Report (SAR) in the mail within four weeks. If you do not, please check online at [www.fafsa.ed.gov](http://www.fafsa.ed.gov) or call 1-800-433-3243. If you provided your e-mail address in question 13, you will receive your SAR electronically within a few days after we process it.

## Renewal FAFSA on the Web

You can submit your 2004-2005 Renewal FAFSA over the internet. To start:

### 1. Know Your PIN

To file your Renewal FAFSA on the Web, you will need a special code called a PIN, which we mailed to you when you applied last year. If you don't have your PIN, you can request another copy by going to [www.pin.ed.gov](http://www.pin.ed.gov) and selecting the link "PIN Request and Information."

### 2. Access Your Information

With your PIN, you can electronically access your information at [www.fafsa.ed.gov](http://www.fafsa.ed.gov)

Processing is free, secure, and generally completed 7-14 days faster than if you filled out and mailed a paper application. You should file as soon as possible but **not before January 1, 2004.**

## Step One

## You (the Student)

### 13. E-mail address

We will use this e-mail address to correspond with you. You will receive your SAR through a secure link on the internet, sent to your e-mail address. Leave blank to receive information through regular mail.

If a worksheet is not enclosed you must call 1-800-433-3243 or go to [www.fafsa.ed.gov/q31wksht.pdf](http://www.fafsa.ed.gov/q31wksht.pdf) to find out how to fill out this question. You may still be eligible for student aid, even with a drug-related conviction.

Note: On your Renewal FAFSA, this question may appear out of order at the bottom of the first page, between questions 15 and 16.

### Step Two Student (and Spouse) Income and Assets

- 32.** For 2003, have you (the student) completed your income tax return?
- 33.** What income tax return did you file or will you file for 2003?

If you filed or will file a foreign tax return, or a tax return with Puerto Rico, Guam, American Samoa, the U.S. Virgin Islands, the Marshall Islands, the Federated States of Micronesia, or Palau, use the information from that return to fill out this form. If you filed a foreign return, covert all figures to U.S. dollars, using the exchange rate that is in effect today. You are not eligible if you itemize deductions, receive self-employment income or alimony, or are required to file Schedule D for capital gains. Exemptions are on IRS Form 1040 - line 6d or on 1040A - line 6d.

For Form 1040EZ, if you answered "Yes" on line 5, use EZ worksheet line F to determine the number of exemptions (\$3,050 equals one exemption). If you answered "No" on line 5, enter 01 if you are single or 02 if you are married.

For Telefilers, use line J(2) to determine the number of exemptions (\$3,050 equals one exemption).

**38-39.** How much did you (and your spouse) earn from working in 2003?

Answer this question whether or not you filed a tax return.

This information may be on your W-2 forms, or on IRS Form 1040 - lines 7 + 12 + 18; on 1040A - line 7; or on 1040EZ - line 1. Telefilers should use their W-2s.

**40-42.** Go to pages 6 and 7 of this booklet. Turn the booklet sideways and enter all of the items that apply to you (and your spouse) in the column **on the left**. Enter the totals in questions 40, 41, and 42. Even though you may have few of these items, check each line carefully.

**Business and/or investment farm value includes** the market value of land, buildings, machinery, equipment, inventory, etc. Business and/or investment farm debt means only those debts for which the business or investment farm was used as collateral.

For Telefilers, use line J to determine the number of exemptions (\$3,050 equals one exemption).

**76-77.** How much did your parents earn from working in 2003? Answer this question whether or not your parents filed a tax return.

This information may be on their W-2 forms or on IRS Form 1040—lines 7 + 12 + 18; on 1040A—line 7; or on 1040EZ—line 1. Telefilers should use their W-2s.

**78-80.** Go to pages 6 and 7 of this booklet. Turn the booklet sideways and enter all of the items that apply to your parents in the column **on the right**. Enter the totals in questions 78, 79, and 80. Even though they may have few of these items, check each line carefully.

**81.** As of today, what is your parents' total current balance of cash, savings, and checking accounts?

**82-83.** As of today, what is the net worth of your parents' current investments (82) and businesses and/or investment farms (83)? Do not include a farm that they live on and operate.

**Net worth** means current value minus debt. If net worth is one million or more, enter 999999. If net worth is negative, enter 0.

**Investments include** real estate (do not include the home they live in), trust funds, money market funds, mutual funds, certificates of deposit, stocks, stock options, bonds, other securities, education IRAs, college savings plans, installment and land sale contracts (including mortgages held), commodities, etc. Investment value includes the market value of these investments. Investment debt means only those debts that are related to the investments.

**Investments do not include** the home they live in, the value of life insurance, retirement plans (pension funds, annuities, non-education IRAs, Keogh plans, etc.), and prepaid tuition plans, or cash, savings, and checking accounts already reported in 81.

**Business and/or investment farm value includes** the market value of land, buildings, machinery, equipment, inventory, etc. Business and/or investment farm debt means only those debts for which the business or investment farm was used as collateral.

### **Step Five Student (and Spouse) Household**

Complete this step only if you answered "Yes" to any question in Step Three.

**84.** How many people are in your (and your spouse's) household?  
Include only:

- yourself (and your spouse, if you have one), and
- your children, if you provide more than half of their support, and
- other people if they now live with you, and you provide more than half of their support and will continue to provide more than half of their support from July 1, 2004 through June 30, 2005.

**85.** How many in question 84 will be college students, attending at least half time between July 1, 2004, and June 30, 2005?

Always count yourself as a college student. **Do not include your parents.** Include others only if they will attend at least half time in 2004-2005 in a program that leads to a college degree or certificate.

### **Step Six School Information**

Review any college names and addresses preprinted on this form. If you want information to be made available to that same college in 2004-2005, you don't need to change anything. Make sure your housing plans are still correct.

If you do not want information to be made available to a college that is preprinted on this form, fill in the oval marked "Delete this school?" If you do this, you may write in a new college's federal school code. Look for the codes on the internet at **www.fafsa.ed.gov** or at your college's website, at your college financial aid office, or at your public library. If you cannot get the federal school code, write in the new college's complete name, address, city, and state. Also fill in the oval that corresponds to your housing plans.

**98.** Please mark whether you will be full time, 3/4 time, half time, less than half time, or not sure at the start of the 2004-2005 academic year.

For undergraduates, full time generally means taking at least 12 credit hours in a term or 24 clock hours per week. 3/4 time generally means taking at least 9 credit hours in a term or 18 clock hours per week. Half time generally means taking at least 6 credit hours in a term or 12 clock hours per week.

If the federal government, the U.S. Department of Education, or an employee of the U.S. Department of Education is involved in litigation, we may send information to the Department of Justice, or a court or adjudicative body, if the disclosure is related to financial aid and certain conditions are met. In addition, we may send your information to a foreign, federal, state, or local enforcement agency if the information that you submitted indicates a violation or potential violation of law, for which that agency has jurisdiction for investigation or prosecution.
