Abstract: Pursuant to Section 106 of the Rehabilitation Act of 1973, as amended, Vocational Rehabilitation agencies found to be out of compliance with federal requirements as a result of failing to meet established performance standards must develop for Rehabilitation Service Administration (RSA) approval a program improvement plan (PIP) using the on-line form located on the RSA management information system. The PIP must contain goals established by the agency, including measurable targets, by which it will assess its progress toward meeting the required minimum performance levels, along with strategies for the achievement of the goals. In accordance with regulations at 34 CFR 361.89 (c), RSA reviews an agency's progress toward achieving the goals established in the PIP. For this purpose, it requires that the agency report its progress on a quarterly basis.
